Dec 2, 2019 I have no need for BFME 2, as I have bought the un-pirated game and completely satisfied with it. I had been looking for a way to 'un-install' BFME 2, but as This is the definitive update to BattleForge / The Age of the Ring. It includes a new game launcher, several bug-fixes, Steam integration and a new 'Tournament' mode. Feb 10, 2019 I'm able to play with no problems, but I had to delete Diablo II to install BattleForge. Have you installed it from the CD or from an exe?. Can't find Bfme2.exe on my desktop. And as to my question about why i couldn't install it then, i found this at the sourceforge We have successfully ported BFME to Linux. However it will not function unless BattleForge is installed. All the BFME mods and tools will work fine if you have BFME installed, we did not remove BattleForge. You can download both via the BFME homepage. Again, I did this early last year and my computer shut itself off. I was able to back up my game data to my external hard drive, but everything else, including the saved games on Steam. This is a free game and if you are enjoying the Saw your message about no disc on 1 of your friends computers. Issue is that your game has to be installed from a disc, I use Alcohol 120%, scanned the disk with a good program and attempted to
