Why does the reputation graph automatically update in the last line of the Reputation Update history page? Is there any value in loading the whole thing in the cache? Does it actually work to serve the reputation items from the cache? A: From the FAQ: Reputation updates are always cached, but the cached version may not necessarily be current. Basically, you get the normal reputation results (minus the last line with the link to the actual reputation page), then it gets cached, any new values that you add to your account are fetched and stored on the server. Additionally, you get the smallest possible set of your reputation history. Bricktute Bricktute is an American video game developer, owned and operated by Interplay Entertainment, a defunct company founded by the founders of Activision Blizzard. Interplay Entertainment was founded in 1993 by the former founders of Activision Blizzard and Konami. They closed in 2015, and some employees moved to Panic Games. Bricktute was responsible for popular games such as Tony Tough: Revenge of the Magnet, Tony Tough: The Boy Who Came To Pinball, A Boy and His Blob, My Spy: The Game and Pony Island. History Bricktute was founded by the founders of the motion picture and video game company, Interplay Entertainment, who are James Brown, Dan Karellas, David Hill and Frank Tomeny. They released three games independently before being acquired by an investor group, which was headed by Mr. Land, in 1998. When Mr. 3e33713323
