With TreeView X you can quickly view tree files in a variety of formats: NEXus, TreeBase, MrBayes Consensus, Clustalx and Phylip. You may even customize their viewing and perform other useful functions. Very useful for: - Computer security. - Computer forensics. - Genome-sequencing projects. - Teaching biology or other courses. - Studying species relationships. - Learning about evolution. - Testing software based on the evolutionary relationship of plants and other organisms. ----- All the material contained in this web page is subject to copyright. TreeView X Review Dislikes The application crashes on closing the tray icon. The error message refers to a run-time error. The display of the tree image is out of proportion. Convinces TreeView X provides a simple but useful tool for visualizing a big tree graph. TreeView X Free Download It is a graphic viewer for phylogenetic trees. You can simply load a phylogenetic tree in the treeview and then scroll through it. Each node of the tree has its height, width and colour depending on its position in the tree and the name of the species. You can even customize the tree display in many ways. TreeView X Features If you can open a tree in Windows Explorer then you can import it into TreeView X. However, before opening the tree, you must rename it so that it can be opened in this software. TreeView X also offers the possibility of exporting the current tree to a file and to view the file online from your computer (the XML and the TreeBase format is supported). TreeView X also offers the possibility of converting a species list file into a tree list file so that it can be displayed in TreeView X. Additional Information TreeView X is a freeware application, it can be downloaded from the developer's site. For users of the program, there are no limitations on the version to be used, because it is a simple and free application that works on all the Windows operating systems. System Requirements In order to run TreeView X you need: - Windows XP/7/8 (32/64-bit) - Vista/8 (32-bit) - Windows XP/Vista/7/8 (64-bit) - Windows 10/

What's New in the TreeView X?

Best Seafood Restaurants in Houma, LA Houma, Louisiana may not be the first place that comes to mind as a destination for seafood lovers but in the last few years, the town has been making a big splash in the seafood game. With so many restaurants offering some of the best seafood dishes around, it is hard to pick a single restaurant that is worth taking out your wallet for. Here is a list of the top restaurants in Houma, Louisiana that should be on your radar when it comes to seafood and eating and we've included some information about each of them that you'll find helpful when trying to make your decision. When you see the name of a restaurant, you can expect that the food will be top-notch but we've found that many of them go above and beyond what other local seafood restaurants offer. When you go to any of these restaurants, you'll immediately get a feeling that they have dedicated time and attention to bringing you some of the best seafood dishes around. They may be known for other cuisines but they definitely have seafood on the menu and that makes them one of the best options for seafood lovers. You'll find that all of these seafood restaurants are located in Houma, Louisiana which means that you'll be able to get right to the action. You may be in Houma for business or pleasure, but your meal and your experience will be the same with any of these restaurants. Seafood restauraunt Wahoo's Wahoo's is a seafood paradise that has a long history in Houma, Louisiana. It was the first restaurant to really make seafood dining a local way of life and it continues to have their most loyal fans. When you dine there, you'll be able to try the menu items that they've grown to love over the years. Their signature dish is the seafood pizza but even if you're not a seafood fan, you can easily get into the spirit of the restaurant when you eat here. With a menu that will leave you hungry, Wahoo's is perfect for any meal or any occasion. They have a wide variety of seafood dishes and they also do BBQ, so you'll be sure to find a restaurant that is perfect for you. When you sit down at one of the tables at Wahoo's, you'll
