Syncs your to-do lists and time tracking across all your devices so you can use Pomodoro at your desk, on the go, or even while enjoying a break at the park. Various time tracking features and productivity metrics for a deep dive into your work schedule. Coming with a variety of Pomodoro-inspired stickers and physical Pomodoro timer, you will never have any trouble remembering the time of your Pomodoro sessions. Work seamlessly with all your smartphones and tablets. Syncs your to-do lists and time tracking across all your devices so you can use Pomodoro at your desk, on the go, or even while enjoying a break at the 09e8f5149f

❤ The self-proclaimed to-do app for people who want to be more productive. Pomodoro records & organizes your daily work and helps you break work down into tiny tasks that can be completed in any amount of time and easily reused later. ❤ Its no-nonsense interface makes it easy to use. Choose between simple or detailed goals to get the best results. ❤ Pomodoro will record your time automatically. You can use Pomodoro's convenient alarm clock to remind you about your break periods. ❤ Pomodoro visualizes your productive history, so you can see how you're doing over time. Set goals & play with your stats. ❤ Pomodoro works with webhooks. Automate many actions like sending task updates to Slack or generating reports to Excel. ❤ The app is also available on Mac, iOS & Android. Main Features: ❤ Pomodoro: no-nonsense to-do list for people who work best with deadlines and the Pomodoro technique. Use Pomodoro to break down big tasks into tiny tasks that can be completed in any amount of time. The app records your work and automatically takes a break period when you're done. Pomodoro is also ideal for studying, working out or improving your daily workflow. ❤ Pomodoro Time tracking: visualize your progress with Pomodoro Time tracking. See your daily, weekly and monthly progress along with cumulative metrics like goals, break-duration, commitments and of course Pomodoro success. You can also sync your data across all your devices. ❤ Alarm clock: set your Pomodoro to ring by the minute, every day. You can also use Pomodoro as an alarm clock. ❤ Pomodoro visualizations: Pomodoro measures your productivity by giving you detailed statistics and visualizations about your daily workflow. What can you learn? Try a demo. ❤ Pomodoro for webhooks and workflows: sync your task with your favorite tools such as Slack, Google Calendar, Trello or Asana. ❤ Customize your tasks and break-duration: customize your Pomodoro by selecting specific goals and break-duration. In addition to the Pomodoro timer, you can set your break duration to be the length of your choice. ❤ Alarm sounds: choose between 13 different alarm sounds and use Pomodoro's alarm clock to set your own alarms. ❤

I am on a road trip and this app crashes and loads with the message "the app is no longer available" and usually no time for reporting that… 2. The iPad version is not responding and it is usually an issue with "double duty" on the iPad. Leave a Comment Name * E-Mail * (will not be published) Website A Top App On our Radar!
