Key Macro is a simple keylogger that is very easy to use. It allows you to assign hotkeys to almost any command you wish and record every key you press. You don't even have to re-record if you use a macro for the same command because the macro will perform the same action every time. One of the best features of KeyMacro is that you can assign the macro to any hotkey, from any application, and it will record every key you press. Even if

you press a combination of a few keys, it will still be recognized as one single keystroke. KeyMacro Features: Key Macro is a free keylogger, so there are no hidden fees or any other costs. Its main purpose is to record every keystroke you press. So, you can use this application with ease by using any application you want and assign macros to any hotkeys. You can even change the hotkey if you wish so. The interface is very simple and you can set the hotkey you wish in the first tab. After that, you can assign any macro to that hotkey in the second tab. The last tab contains the macros. In it, you can set the hotkey for the macro, the text you wish to have as the macro's output, whether the text is inserted or deleted from the clipboard, the text used as a filter and any flags. KeyMacro Screenshots: Testimonials You guys are great, they respond very fast, and they were also very helpful when I had an issue. Also, I received the item on the same day and it was packed well. Thanks a lot, good job! Oj I am very happy with the website. I found exactly what I was looking for. I was very happy to have found your website and to find a reliable one at that. I have been doing online shopping for awhile now and have never had a problem. I will continue to use your services. Ian These were exactly what I was looking for, and they were only about half the price that I thought I'd find. Great service! Thanks! Mike Great work. I ordered one for my wife's computer and she's very happy. The equipment I ordered arrived when it said it would, and it was a great price. Thanks for a job well done! Scott Your service was great. I received my order in good time and was totally bcb57fa61b
