## System Requirements:

Microsoft Windows XP, Vista or Windows 7 OS 1024x768 resolution minimum DirectX 9.0c compatible video card with 1 gigabyte video RAM  
What's New: - Over the past few months, I've received a lot of questions asking how accurate the physics model is. Well I took the question a little further and got to work on a model that could answer this question. The result is a more accurate model that was thought impossible a few months back. - If you've played CRYISIS II before, you
