Hayes on the cover of 1860s edition of the Chicago Tribune (one of over a dozen in his collection) The 13th president's portrait, shown here in his study at the White House, was one of the most popular subjects of his time. The stereophotograph was on the market for about two decades before President Hayes was born. The average family's financial situation improved during Hayes' tenure. Wages rose as the economy recovered from the panic of 1873. The inflation of the postwar period slowed, and interest rates on savings were low. "The time was not one that brought prosperity to the country; it was one that had to be endured," the historian Nell Painter wrote of Hayes. "But it proved to be a necessary evil before it could yield real prosperity." Rutherford B. Hayes was born on Sept. 5, 1822, in Mount Hope, Ohio. His first four years were spent in frontier Ohio. His family moved to West Point, Ohio, in 1826, when he was about four years old. His father, Rutherford Hayes, Sr., was a postmaster, justice of the peace and dentist. At West Point, Rutherford B. Hayes was an outstanding military leader, graduating in 1843 as valedictorian. (During the Civil War, he had taken a leave of absence from West Point to enlist as a lieutenant in the Union Army.) Hayes' military service during the Mexican-American War earned him the rank of brevet brigadier general. After the Civil War, he studied law and began practicing in Columbia, Ohio. In 1847, he was nominated to be a Republican candidate for Congress. He lost the election, then took his law practice to Maysville, Ohio, in 1848. That year, Hayes was nominated as Ohio's governor, and he won the position. He was elected president four years later. The three presidents who served in the 1880s shared an affinity for popular songs and musical entertainment. Hayes had formed part of an amateur musical group
